- ✓ Karate teaches delayed gratification (long term stuff like getting your black belt)
- ✓ Learn to have more discipline (not only in the new year!)
- ✓ Concentrate and focus (you will need to if you want to learn the moves)
- ✓ Have self-control, mentally and physically (because karate can be dangerous)
- ✓ Be more confident (you will be if you have a stronger body and mind and can stand up for yourself)
- ✓ When competing, it's about winning or learning (good thing to learn in life)
- ✓ Learn interesting and exciting motor skills while you get tired without noticing!

We believe our karate environment give people the skills to handle themselves and the outside world better.....we call it the "School Of Life"

THIS IS GREAT FOR CHILDREN BUT ADULTS ALSO BENEFIT AND LETS BE HONEST, NEEDS TO EXERCISE!

- ✓ Karate is an ancient form of Self Defence which is still relevant today
- ✓ Pinetown JKA believes in a balance between traditional karate and sport karate .
- ✓ In sport karate we train and compete according to WKF regulation (WKF stands for World Karate Federation which is the only All Styles Karate Body recognized by the International Olympic Committee) visit www.wkf.net
- ✓ We are affiliated to the SASCOC recognised, All Styles karate body in SA nl. Karate South Africa (KSA).....WHAT DOES THIS MEAN?.....if you train really hard and win, you can represent your region/province/country and get official colours!

Our Key Success Factors

Training: Karate and Conditioning Drills

The 3 building blocks of karate training are basics (karate technique), kata (sequence of techniques) and kumite (sparring).

In addition to the above we continuously research and practice specific training drills designed to improve muscular strength, power, agility, speed, plyometric power, core strength, cardiovascular fitness and flexibility.

When practicing against a partner we train with utmost caution and control, we also do a lot of bag work where we develop the power of our techniques needed in self-defence.

Karate makes for interesting and exciting training so you don't have to worry about getting tired!

Instructors: Instructors/Small Groups

Sensei Karin Prinsloo heads up Pinetown JKA and is Japanese Graded 6th DAN! She has represented SA 1992-2006. During this time she won a number of international medals which includes various ALL African Games medals and a Gold medal at the World Games, 2001. Sensei Karin obtained a Hons Degree in B.Com Sport Management at RAU (now UJ)

The Club has between 10 and 15 Instructors assisting in teaching small groups of karate-ka.

Most of our Instructors has competed nationally and some internationally. Some instructors are parents themselves which brings a different dimension to teaching, especially children.

Club Culture: Care

At Pinetown JKA we have strength in our diversity. It is important to acknowledge the many driving factors that exist within each karate-ka when training. This may include fitness, health, self-defence, mental growth, social interaction, competition, grading and self-growth. We aim to deliver on these driving factors and most of all enjoy doing it.

We care about one another and enjoy training hard together!

Experience

The Club was established by Duncan Player in the mid 80's. After changing hands for a short while Karin Prinsloo took over the Club in 1997. The Club has around 80 students.

Pinetown JKA Karate is one of the top karate schools in the country, here is why...

-We constantly produce National and Provincial Champions (Karate-ka receiving Protea Colours)

-We are one of the few Clubs achieving International Medals in the last decade.

-Over 90 students have received a black belt through Pinetown JKA during the last 15 years.
