Let's Start with the "Soft Stuff"

- ✓ At Karate we teach you to act in a respectful manner
- ✓ You learn to overcome your fears
- ✓ Karate teaches delayed gratification (long term stuff like getting your black belt)
- ✓ You learn to have more discipline
- ✓ Concentrate and focus (you will need to if you want to learn the moves)
- ✓ Have self-control, mentally and physically (because karate can be dangerous)
- ✓ Be more confident (you will be if you have a stronger body and mind and can stand up for yourself)
- ✓ When competing, it's about winning or learning (good thing to learn in life)
- ✓ Learn interesting and exciting motor skills while you get tired, without noticing!

We believe our karate environment gives people the skills to handle themselves and the outside world better.....we call it the "School Of Life"

THIS IS GREAT FOR CHILDREN BUT ADULTS ALSO BENEFIT AND LET'S BE HONEST, THE EXERCISE IS NEEDED!

What about Karate Stuff?

- ✓ We teach JKA Karate (JKA stands for Japanese Karate Association)
- ✓ We affiliate to SA JKA which is affiliated to JKA head courters in Japan (visit www.karate.co.za)
- ✓ We practice the style of Shotokan
- ✓ Karate is an ancient form of Self-defence which is still relevant today
- ✓ Pinetown JKA believes in a balance between traditional karate and sport karate
- ✓ In sport karate we train and compete according to WKF regulation (WKF stands for World Karate Federation which is the only All Styles Karate Body recognized by the International Olympic Committee) visit www.wkf.net
- ✓ We are affiliated to the SASCOC recognised, All Styles karate body in SA. Karate South Africa (KSA).....WHAT DOES THIS MEAN?.....if you train really hard and win, you can represent your region/province/country and get official colours!

Our Key Success Factors

Training: Karate and Conditioning Drills

The 3 building blocks of karate training are basics (karate technique), kata (sequence of techniques) and kumite (sparring).

In addition to the above we continuously research and practice specific training drills designed to improve muscular strength, power, agility, speed, plyometric power, core strength, cardiovascular fitness and flexibility.

When practicing against a partner we train with utmost caution and control, we also do a lot of bag work where we develop the power of our techniques needed in self-defence.

Karate makes for interesting and exciting training so you don't have to worry about getting tired!

Instructors: Instructors/Small Groups

Sensei Dylan Powell heads up Pinetown JKA and is Graded as a 4th Dan black belt. He represented SA from 2009-2014 and made the JKA Senior National Team in 2017 and 2018, winning the JKA African Cup in 2018 and the South African Championships in 2019 and 2021. He also represented SA at the World Championships in 2024. Dylan obtained a Hons Degree in B.Com Strategic Management at Varsity College Westville.

The Club has between 3 and 7 Instructors assisting in each class, teaching small groups of karate-ka.

Some instructors are parents themselves which brings a different dimension to teaching, especially children.

Club Culture: Care

At Pinetown JKA we have strength in our diversity. It is important to acknowledge the many driving factors that exist within each karate-ka when training. This may include fitness, health, self-defence, mental growth, social interaction, competition, grading and self-growth. We aim to deliver on these driving factors and most of all enjoy doing it.

We care about one another and enjoy training hard together!

Experience

The Club was established by Duncan Player in the mid 80's. After changing hands for a short while Karin Prinsloo took over the Club in 1997 and it was then taken over by Dylan Powell in 2019. The Club has around 130 students.

Pinetown JKA is one of the top karate schools in the Country.

- We constantly produce National and Provincial Champions

- Over 100 students have received a black belt through Pinetown JKA during the last 25 years.
